**VEUVE CLICQUOT WINTER TERRACE LAUNCHES AT ST PANCRAS RENAISSANCE**

*Champagne and carol singers arrive under the iconic neo-gothic arches*

The five-star masterpiece [St Pancras Renaissance Hotel London](#) has partnered with Veuve Clicquot to bring the festive spirit to the heart of Kings Cross with their [winter terrace](#), featuring a luxury Airstream pop up champagne bar.

Twinkly lights and snowflakes will sparkle amongst Christmas trees and winter foliage, creating a fairytale atmosphere under the outdoor arches of the entrance to the historic hotel. Guests can admire the impressive architecture of the Victorian facade originally designed by Sir George Gilbert Scott, whilst staying cosy wrapped up in the luxurious fluffy blankets.

Visitors can keep merry with the range of champagne on offer, served straight from the glamorous 50s-style retro Airstream, styled in a distinctive orange hue. Signature bubbles will be available including Veuve Clicquot's refined classic Yellow Label and the fruity Veuve Clicquot Rosé. Carol singers will join the magic on surprise occasions to continue to bring the festive cheer and entertain guests with the season's favourite carols.

Located a stone's throw from King's Cross Station, the winter pop up is the perfect pit stop to relax after a long day out Christmas shopping or for a festive after work drink.

St Pancras Renaissance's Veuve Clicquot Winter Terrace is now open with full seasonal cheer from 20<sup>th</sup> November.
